The Student

this is

ASTC

*It can't be raining . . . the sun
was out a minute ago!*

*Empty halls await the eight o'clock
bell to begin anew the quest for
knowledge.*

*Homecoming highlights a superb
ASTC Marching Band.*

where

WE LIVE, LOVE, STUDY, LAUGH, CRY,

and

FIND OURSELVES.

*“With unrelenting crescendo,
the symphony of a life
replete with melodic progression
bastens to its finale.
And a friendship
that is ours to share,
with its ‘largos’ and ‘allegros’
moves everlasting;
onward in sweet memories.”*

ANON.

To a man and woman who have through their service, instruction, and genuine friendly interest in every student, made us feel a part of the Appalachian Family, we the 1963 RHODODENDRON STAFF, representing the whole family, proudly present this publication to Mr. and Mrs. JOHN WELBORN.

THE APPALACHIAN

The *Appalachian*, a weekly newspaper which has no faculty or administrative censorship, is published by a staff comprised of students who have at least a "C" average and who like writing. An editor and a business manager are chosen in a campus-wide election each year during the latter weeks of winter quarter.

Five delegates represented the *Appalachian* at the National Associate Collegiate Press Convention held in Detroit, Michigan.

In addition to membership in the Associated Collegiate, Inter-Collegiate, and Carolina Collegiate press associations, the A.S.T.C. paper maintains an exchange system with newspapers of other colleges and universities all over the United States and abroad.

A.S.T.C. welcomes Father Cranor Graves.

Each of us has a religion, the center of which is the worship of God. The theme of this year's Religious Emphasis Week, "Who Am I?," hoped to show how each individual is related to his own personal religion. Father Cranor Graves, a Catholic Priest from Greensboro, North Carolina, was the main speaker. Many varied and interesting programs were presented and much was learned about the Catholic beliefs.

A Candlelighting Service was led by Hank Greer and the B.S.U. Touring Choir.

COACHING STAFF—Dutch Meyer, Carl Messere, Robert L. Breitenstein,
Jim Duncan, Head Coach.

With the coming of the Autumn season came the king of all sports to the Appalachian campus—Football. The Mountaineers were rated the team to beat in the pre-season selections. The Apps were off to a slow start in which they won only one of their first seven ball games, and tied two of them. The win was a decisive one over the previously undefeated Elon Christians by the score of 27-12. Coach Jim Duncan's Mountaineers caught fire to win the last three ball games. They defeated Guilford, Presbyterian, and the University of Tampa to end the season with light instead of darkness.

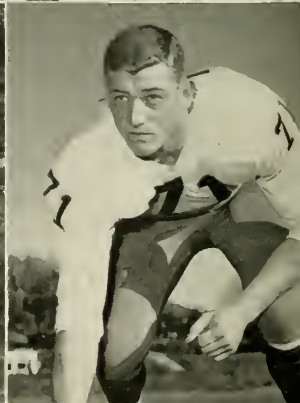

At the season's end the Mountaineers got their share of post season honors putting four players on the All Conference Team, three on the NAIA All-District Team, and having one player named to an All-American berth. Joe Hightower, Greg Van Orden, Richard Tickle, and Jim Hayes were named to the All-Carolinas Conference Team. Van Orden, Tickle, and Hightower were also named to the NAIA District 26 Team. The highest honor went to Van Orden when he was named to the second team Williamson All-American Team.

SOCCER

The Appalachian Soccer Team met some very good competition in its third year of intercollegiate play. King College of Bristol, Tenn. and Belmont Abbey were played to a tie. Soccer being a young sport at A.S.T.C. thrilled many fans who watched the intense games.

The A.S.T.C. goal keeper Bud Brooks was selected for the All-South Soccer team by the coaches and referees of the National Soccer Coaches Assn. selection system.

The Light Brigade, under the able direction of Coach Bob Light, ended the basketball season with a respectable record of 14-12. The Carolinas Conference was the toughest this year than ever before. The Mountaineers defeated every team in the conference at least once except High Point. They placed in 6th place in the final Conference standings, right behind Elon. Probably the sweetest victory of the year for the basketballers was a 77-72 victory over the Bears of Lenoir Rhyne in Hickory. Forward Wayne Duncan was named to the All Carolinas Conference team and was 5th in the conference in scoring. Guard Jack Lytton and forward Jim Richardson also averaged in the double figures for the Mountaineers. Others who were responsible for the successful season were Joe Haley, John Dobbs, Doug Wall, Jim Goff, and Paul Reynolds. The entire team performed well and every student at The Mountain campus can be very proud of the Mountaineers basketball team.

Appalachian entered track candidates in the Carolina and NIAA track meets for the third year. The NIAA was held at High Point College. Since both of the meets are entered by the same teams the Carolinas Meet results show the efforts of the A.S.T.C. men. Ed Crain set a new conference record 6'34" in the high jump.

With the new running track the Apps should be able to make some showing in these events. It is hoped that home track meets will be held in the near future.

The Mountaineer Baseball Team experienced another rough season on the diamond in 1962. After losing the first game of the season to the Catamounts of Western Carolina the Mountaineers battled back to win seven and lose eleven for their final record. Probably the high note of the season was the victory by the Mountaineers over the tough Pirates of East Carolina College. The Pirates were the defending National Baseball Champions and the App team defeated them in Boone by the score of 11-5. Pitchers Bill Jarrett and Bobby Dellinger were outstanding with nine of the wins to their credit. Leading hitters for the Mountaineers throughout the season were Jim Sides, Jack Barr, and Wayne Barker.

GOLF TEAM

After a slow start the App golf team fought back to win eight and lose seven and tie one for a final season's record. Probably the highlight of the year was the team's winning the Carolinas Conference and the NAIA District 26 Tournament held in Boone. Benjy Burnett, Appalachian ace, was the top player in the tournament

and copped the individual championship of the conference. Early in June the team traveled to the National NAIA Golf Championship and came in sixth in the entire nation. App star Austin Adams finished third in this tournament.

First Row: Benjy Burnett, Bruce Suddreth, Austin Adams, Mickey Powers. Second Row: Tom Sturgill, Willard Holden, Allen Childress, Francis Hoover, Coach.

MEN'S TENNIS

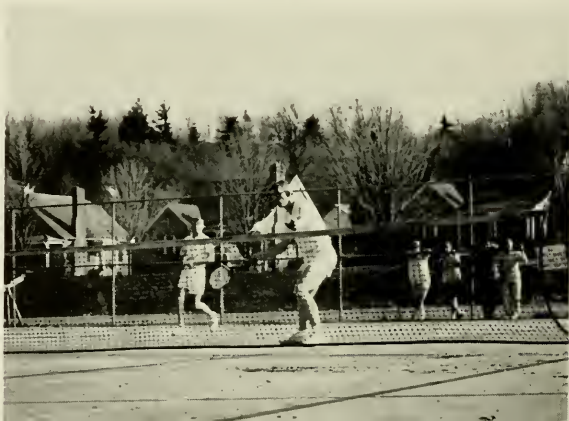

Anticipating the serve . . .

The Appalachee netters enjoyed one of their best seasons, closing with a 12-1-1 record. Norman Chambers and Larry Nance led the squad in victories over opposition in three states. The two lost only three times between them in singles and were unbeaten in doubles.

Captain Larry Nance closed his tennis career with the best record in Appalachee's history with fifty-four wins against four losses over a four year span.

Watch that APP return!

The Watauga Savings and Loan Association has had a part in the growth of this area since 1921. We have noted with pride the growth and progress of Appalachian State Teachers College.

Quality education is much more important than it was a few years ago. The administration and faculty along with the students have proven that Appalachian is the type of educational institution which is needed in this changing world of today.

The people of Watauga Savings and Loan Association also feel very strongly about quality. We require quality in all the homes we finance. We offer the best rates available on your savings. Put these together and you have a sound financial institution.

First the clock . . . then the plant —

When a customer bought 100 cigars from the wholesale grocery firm of H. Cone & Sons in 1870, he received a handsome clock. Some of these clocks are still ticking away. In addition to selling cigars and groceries for their father, Moses and Ceasar Cone sold cotton plaids. Seeing a great future in fabrics, they started the Cone textile enterprises as a selling and commission house in 1891. They built the original manufacturing plant in 1896.

What of Cone Mills Today?

From these small beginnings has come one of the world's largest and most progressive textile firms. With 18 plants employing almost 13,000 men and women, Cone Mills today is the world's largest producer of corduroys, denims and flannels. Its modern printing and finishing operations are turning out a host of other fashion-right fabrics. Cone through its research and development activities is constantly seeking better ways to make better materials.

Examples of Cone firsts in this country are the new, popular stretch denims and corduroys.

To maintain its high standards, our company needs young people with initiative and intelligence. Cone Mills offers opportunities in four areas . . . production, administration, sales and research. Would you be interested in joining such a progressive organization? Write Industrial Relations Department, Cone Mills Corporation, Greensboro, N. C.
